### About SingYouth Hub

SingYouth Hub is a non-profit organisation that supports youth development and social engagement in Singapore. Workshops conducted in 2017 from our extended programme, Craftpreneurs of SG, empowers students and volunteers through the development of handicraft artefacts for fund-raising.

### MISSION

By creating a synergy between corporate entities (students and non-profit organisations), we strive to empower our youth with entrepreneurship skills and attitudes to solve social issues and inspire them to be positive contributors and change-makers individually to the society

### VISION

Create a learning hub and community that effectively cultivates and empower youths to become social entrepreneurs and civic-minded leader
